

Press release – August 2019

## ITRA PRESS CONFERENCE

During the ITRA Press Conference we presented the ITRA's key communication statistics and speak about QUARTZ, a unique program to better follow runners' health

Discover our presentation and the key statistics such as there are now **1,600,000 runners** whose performance index is calculated by ITRA and **118,000 runner accounts** and **3,000 organizer accounts**.

Upload our Press Conference presentation to discover the Maria and Alex story to now better about the QUARTZ Original Program.
